

IMPORTANT INFORMATION ABOUT PLAYER ACCOUNTS - GAMING MACHINES REGULATION 2019 PART 6

Please be advised that Workers clubs have activated Player Accounts for all members. This functionality has been implemented across all Workers clubs.

The security of money in player accounts is the responsibility of both the registered club and the account holder. The government and its agencies take no responsibility for any losses that might occur from the account.

An account holder is solely responsible for ensuring that the account holder's personal identification number ("PIN") is kept confidential, and that no other person has access to the account holder's player card. The account holder is liable for any losses that might arise from, or in connection with, the account holder's failure to comply with such responsibilities.

All members are able to opt-out of the Workers clubs' player reward scheme at any time. If you do not wish to participate in the player reward scheme, please contact Member Services on 02 9830 0600.

Player activity statements are available on request.

Weekly account limits can be set and updated at any time by written notice to the Club.
