President's Report

local services, community groups, and charitable organisations. These contributions have helped support critical programs, from youth sports and health initiatives to essential community services. It is deeply rewarding to know that our Club is making a positive impact, and it's your membership and ongoing support that makes this possible. We look forward to continuing this legacy of giving and community involvement in the year ahead.

I would also like to thank our CEO, Morgan Stewart, who has been a tremendous asset in leading the Club with vision and dedication. Morgan's guidance, paired with the hard work of our entire team, has allowed us to achieve new heights this year, ensuring that our Club remains a welcoming and vibrant space for all into the future.

To my fellow board members, thank you for your steadfast dedication and support throughout the year. Your commitment, along with the understanding and encouragement of your families, has been instrumental in helping us achieve our shared goals.

Our incredible staff deserves a special acknowledgment as well. Each team member—from those on the front lines to those behind the scenes—has played a vital role in keeping our Club running smoothly and providing a warm environment for members and guests alike. We are immensely grateful for the pride you take in your work and your dedication to serving our community with excellence.

As we look to 2025, we have much to anticipate, including a significant milestone: our Club's 70th anniversary in November! This occasion will be a special time to honour our past, celebrate our achievements, and embrace the future with enthusiasm. The loyalty and support of our members over these decades have been at the heart of our success, and we are excited to share more in the coming months about how we plan to commemorate this extraordinary anniversary.

As we close out this year, I wish you all a joyous Christmas season and a New Year filled with health, happiness, and prosperity. Thank you for being a part of our Club's family. I am humbled to serve as your President, and I look forward to all that we will accomplish together in the new year.

With gratitude and best wishes,

Jack Miller

Club President
Workers Lifestyle Group

Dear Members,

As we wrap up another eventful year, I want to extend warm greetings to you and your families. The festive season offers a wonderful time to reflect on the achievements of the past year and look forward to new beginnings in 2025. I'd like to share a few reflections, as well as our Club's plans for what promises to be an exciting year ahead.

As we celebrate this time of togetherness, it is also important to acknowledge those members we have sadly lost this year. Each of them was a cherished part of our Club, and their presence and contributions will be missed by us all. On behalf of our board, staff, and all members, we extend our heartfelt condolences to their families and loved ones.

I would also like to recognise the compassionate work of our Welfare Officer, Harold Becker. Harold volunteers his time to support our members in their times of need, visiting those who are unwell and providing comfort to families at funeral services. His dedication to helping others through both challenging and sorrowful times speaks volumes about his character, and we are incredibly grateful to him for his kindness and service to our members and their families.

One of the proudest aspects of our Club is the role we play in supporting our local community. Through our ClubGRANTS program, we have been able to donate over \$270k this year to a variety of

CEO's Report

In 2024, we continued our partnership with Western Sydney Diabetes with the roll out the 2kg Challenge within our community. This program, aimed at encouraging manageable weight loss, has significantly raised awareness about the benefits of healthy living, making a lasting impact not only on our members but on the entire community. The health benefits of this initiative will continue to enhance lives by encouraging healthier habits and improving long-term well-being across our region. We are proud to support such meaningful programs that align with our commitment to community health and wellness.

We continue to prioritise initiatives that help our local youth thrive, especially through difficult times. Through the Love Bites program, we are helping to promote respectful relationships among young people in schools, with the goal of breaking the cycle of domestic violence and addressing youth homelessness. This vital program is designed to foster empathy, understanding, and healthy communication skills, supporting a safer, more resilient community.

Additionally, we are proud to partner with FOODBANK to deliver breakfast programs to seven local schools, ensuring that young people from families facing economic challenges have access to a nutritious start to their day. By addressing food insecurity and supporting essential programs for our youth, we hope to make a positive difference for our community's future.

It is also with a heavy heart that we acknowledge the passing of members this year. On behalf of Workers Lifestyle Group, I extend our deepest condolences to the families and friends who are grieving. These members have been valued parts of our community, and their presence will be deeply missed. Our thoughts and sympathies are with their loved ones during this difficult time.

Looking forward, 2025 is set to bring significant developments in our broader community. We will continue to see the announced Blacktown Quarter project evolve, further enhancing the landscape of our region and bringing new opportunities to our doorstep. Over at Workers Hubertus in Luddenham, the new airport project is rapidly progressing, with an anticipated opening expected in the near future. These transformations mark an exciting time for our community and our Club,

promising even greater potential for growth and community engagement.

I am incredibly grateful for the commitment and adaptability of our management team and staff, who have leaned into each change and challenge with resilience and dedication. Your hard work and positive attitudes are the foundation of everything we achieve at Workers, and I couldn't be more proud to work alongside such a remarkable team. I also want to thank your families for the support they give, allowing you to be here each day giving your best.

As we enter the festive season, I want to extend my warmest wishes to all our members, our dedicated staff, and your loved ones. May this Christmas season bring you joy and togetherness, and may the New Year bring health, happiness, and prosperity.

Thank you for being part of our Workers family. It's an honour to serve this Club and our community, and I look forward to everything we will accomplish together in the year ahead.

I look forward to seeing you around the Club.

Morgan Stewart

Chief Executive Officer
Workers Lifestyle Group

Dear Members,

As we close out another year at Workers Lifestyle Group, I'd like to take this opportunity to thank each of you for your continued support and share some reflections on the year we've had and the exciting future ahead.

2024 has indeed been a year of change, both within our Club and across the hospitality industry. We are grateful to our members who have journeyed with us, adapting alongside us and supporting the Club as we've grown and diversified. Our Board's strategic vision has guided us to explore new opportunities, allowing us to continue diversifying our offerings and strengthening our Club for the future. Despite the continuous changes affecting our industry, we are committed to navigating these challenges and focusing on sustainable, member-centred growth.

We remain fully dedicated to creating a safe environment for everyone who visits our facilities, particularly our gaming areas. As part of the recent legislative changes, you may have noticed our staff members proactively checking in with you while you're playing. This is a key component of our harm minimisation commitment, aimed at fostering a safe, enjoyable, and supportive atmosphere for all members and guests. Our team has embraced this responsibility with genuine care and attentiveness, ensuring that everyone who visits can feel welcomed, secure, and looked after.

Drawn Sunday 26th January 2025 at Workers Sports.

Some 11,400 boys are in Clontarf programs this year, including 1,000 Year 12s, supported by 580 staff.

Of the 46 young men who graduated from Clontarf's Sydney region academies last year, 25 have full-time jobs, 10 started apprenticeships or traineeships and five are at universities. This year, 100 boys in Years 10-12 are already working part-time.

Five academies are located at schools around Mt Druitt and Workers Blacktown is a long-term supporter of Clontarf's work and a Sydney Employment Forum partner.

CLONTARF FORUM

Workers Lifestyle Group was delighted to host Clontarf Foundation's Sydney Employment Forum in our Diamond showroom. Clontarf operates campuses at more than 150 host schools around Australia that are open to any Indigenous boys enrolled, to develop values and abilities around education, leadership, employment, life skills and sports.

The aim of the forum is to connect employers with Indigenous students. Employers from 25 companies met around 100 impressive final year students from eight Sydney region Clontarf Academies and saw first-hand the success of a unique program developing Aboriginal and Torres Strait Islander boys into young men.

It was great to see the energy and enthusiasm from both the employers and young men who each reported the value of the day. Since Clontarf Foundation began in 2000 in Perth, more than 6,815 young men have graduated from high school into employment.

Alumni remain in the Clontarf family, guiding and supporting current academy boys and programs, while they also are supported by Clontarf employment officers.

Clontarf organisers with Workers CEO Morgan Stewart and Stephen Bali MLA

CAMP QUALITY

Workers Lifestyle Group was pleased to be given the opportunity to make a contribution to an extremely worthy cause. Two amazing men, Ed Orszulak and Seb Boehm, were able to visit the Club whilst walking from Brisbane to Melbourne in 35 days to raise money for Camp Quality. The 2 walkers, accompanied by our local member Stephen Bali MLA and well wishers made a pit stop at Workers Blacktown to receive our contribution of \$5000 and some of our hospitality.

Camp Quality is a charity which brings positivity, fun and laughter back into the lives of kids impacted by cancer through providing camps and family experiences.

The services and programs help families build optimism and resilience through community, education and fun. Camp Quality provides support for kids (0-15 years) dealing with their own cancer diagnosis, or the diagnosis of a sibling or parent, every step of the way. The programs provide hospital support, age-appropriate education, camps, fun days and family retreats that provide families with a break from cancer to reconnect and build a supportive community

Morgan Stewart CEO, Jack Miller Club President, with Ed Orszulak and Seb Boehm.

ELDERS OLYMPICS

This event is held each year with the aim of engaging older Aboriginal residents to become active and improve their health. Teams register and practice their skills prior to competing on the day in a variety of fun events. Stalls are held to provide health and wellbeing information to the group.

Workers Lifestyle Group was responsible for providing a healthy lunch for the 220 attendees on the day. Elders formed teams and trained in preparation in the hotly contested and fun events. It was good to see so many people including the Wolkara Elders join in to get fit, have fun and compete on the day.

Participants in the Elder Olympics

Janine Dawson & the team from Alice's Support Services assisting in the R U OK Day information stall.

R U OK DAY

A stall was held in the Main club on RUOK Day. This was supported by our partners Alice's Support Services who spent the day engaging with many members to make them aware of the resources available for preventing, identifying and improving mental health. Some mini cakes and other resources ensured that the table was very well patronised and our members were actively engaged with the activity.

'Conversation starter' stickers were distributed and proudly worn by many members who attended the Club on the day and it was great to see the conversations and good humour this created in the various venues throughout the Club.

The Love For Australia store

LOVE FOR AUSTRALIA

One of the new recipients for ClubGRANTS is a marvellous organisation, Love for Australia.

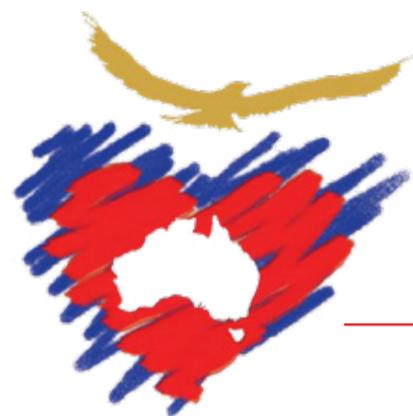

This family run organisation, aims to provide a friendly helping hand to those in a temporary financial crisis by offering essential items through a FREE grocery store in Seven Hills.

The Love For Australia store is stocked with a range of items including fresh fruits and vegetables, fresh bread, milk, pantry staples, personal hygiene items, pet food etc. Customers, after making an appointment, are able to choose what they require and help themselves to the relevant products.

The service is designed to give immediate temporary support and relief during people's time of need which was brought on by an emergency, natural disaster or unexpected circumstance.

Club Vice President Brett Fielding

DEMENTIA FORUM

WLG hosted the Dementia Forum organised by WSLHD and Dementia Australia. This was a very well attended event with 150 people in attendance. The response was so high that a waiting list had to be set up. 14 stall holders provided information on the services available to assist in the diagnosis, prevention and support available for those with dementia along with their families and carers.

The group heard presentations from medical professionals, carers and people with dementia. An active Q&A session enabled further extraordinarily useful information to be conveyed to the group. The evaluation showed that all participants found the forum extremely worthwhile and were most complimentary about the quality of venue and refreshments provided by the Club.

WSABE AWARDS

Workers Lifestyle Group was pleased to once again be a sponsor of the WSABE Awards for Community Excellence. These highly contested awards recognise excellence in business within Western Sydney. Workers Lifestyle Group was sponsor of the Community Excellence Award and our Board member, Brett Fielding was pleased to announce the proud winners 'Arts & Cultural Exchange'

The Older Women Network

WE ARE STUDIOS

Workers Lifestyle Group is delighted to support the amazing work of We Are Studios art space in Blacktown. The first of its' kind, We Are Studios is a fully disability-led, inclusive studio that empowers artists with disability to reach their creative potential by creating space to thrive.

Established by people with disability, for people with disability, this unique studio has been specifically designed for artists with a disability to create, connect, collaborate and exhibit their work. WLG has been responsible for supporting the conversion of this shop space to a purpose-built accessible studio. The team has worked extremely hard to create an open, practical space with great emphasis on lighting and accessibility.

The artists have said that having this space where they can meet for inspiration, instruction and support has been life changing. Starting on day 1 the space is being extremely well utilised. The team at We Are Studios are working towards putting together ongoing exhibitions of their members art as well as opening opportunities for developing their skills and selling their artwork.

We Are Studios can be found at 21 Campbell Street, Blacktown facing the community open space.

Liam Benson, Creative Director We are Studios.

Welfare Report

Hello everyone,

As we step into summer and the Christmas season, I wanted to share a few words from the heart. I've been blessed to know so many of you over the years, and it's an honour to be here, especially at a time of year that holds such meaning for us all.

This season, we remember those who are no longer with us. Each of them brought something special to our club friendship, laughter, and warmth. To the families of those we've lost, please know you're in my thoughts, and if you ever need a chat or a little support, I'm just a phone call away. You can reach me anytime at 0410 602 418.

The festive season can be joyful, but I know they can also be difficult for some. If there's anything you need—whether it's a helping hand, a listening ear, or even just a friendly face I'm here, and so is our club. Don't ever hesitate to reach out.

It's wonderful to see all the activities coming up over Christmas events for families, gatherings for friends, and all the things that bring us together. Let's all keep an eye out for each other, especially for our senior members and those who might need a bit of extra assistance. My hope is that everyone can enjoy the season fully and safely.

As your Welfare Officer, I'm grateful to serve this amazing community. It's a privilege to be here for you all, through good times and challenging ones. Let's make this Christmas season one of kindness, compassion, and connection.

Wishing you a warm, joyful, and safe holiday season. And remember, if you need anything at all,

Harold Becker

Welfare Officer

TREASURER'S REPORT

Hello members,

Year to date (Jan to Sep 2024), I am pleased to advise that we have already contributed more than \$831,766 to local community groups and people in need.

Our Group profit / (loss) before tax as of 30 September 2024 is \$846,877 which is less than budgeted expectations and lower than the same financial period last year (2023).
