# President's Report

Hi Members,

Firstly, my thoughts are with those of you who have been unwell, and my condolences go to those Members who may have lost loved ones.

As we enter the months of March – April - May, it's an exciting time for all of us at Workers Lifestyle Group, especially as we approach our 70th Anniversary later this year. This milestone not only marks seven decades of growth and change for Blacktown Workers Club but also a time to reflect on our deep-rooted commitment to the community and the values that have guided us from our humble beginnings as a "tin shed" to the thriving institution we are today.

Throughout this year we'll be celebrating what makes our Club truly special, our incredible community spirit. Whether you've been with us for 70 years or are a new member, we are thrilled to have you with us as we celebrate this important milestone. As we look back, we also look ahead with excitement at the opportunities and transformations the next 70 years will bring.

Throughout March, April & May, we encourage all of you to support your club whether it's participating in special events, enjoying live entertainment, or simply sharing in the joy of what we have built together over the years.

One of the most exciting events we'll be hosting in March is Seniors Week, running from March

6th to 13th. This week is a wonderful opportunity to honour our senior members—those who have helped shape the Club and continue to play an essential role in our community. We're thrilled to offer a variety of free activities, including Line Dancing, Police Safety Talks, and Tai Chi, aimed at keeping our senior members active and engaged. It's a time to connect, celebrate, and acknowledge the invaluable contribution of our senior community.

For 70 years, we've proudly supported local sports, fostering teamwork, fitness, and community spirit. Through sponsorships of football, rugby, and other clubs, we help promote active, healthy lifestyles. We also back vital health initiatives like the 2kg Challenge, Pink Up Blacktown, and the Better Foundation, ensuring ongoing support for our community's well-being.

In closing, I want to take a moment to thank each and every one of you, our members, who have made Blacktown Workers Club what it is today. Your support over the years has been invaluable, and together, we have created something truly special. As we approach our 70th Anniversary celebrations, I am filled with pride and gratitude for the legacy we have built and the exciting future ahead.

We look forward to celebrating 70 years of community with all of you during 2025 and we are excited about the journey ahead as Workers Lifestyle Group continues to evolve while staying true to the heart of what has always made us special: our unwavering commitment to our members and the community.

Here's to 70 years of friendship, support, growth and looking forward to the next 30 years as we head to our centennial celebration, with many more to come!

Warm regards,

*Jack Miller*

# CEO's Report

Dear Members,

As we step into an exciting new year, we're not only looking forward to the seasons ahead but also reflecting on an extraordinary milestone for Workers Lifestyle Group—our 70th anniversary! Later this year, we'll be celebrating this significant achievement, and we couldn't be more excited about the journey ahead. It's a time for us to celebrate all the progress we've made, the relationships we've built, and the positive impact we've had on our community.

As we welcome the cooler months of Autumn, I want to take a moment to reflect on what makes Workers Lifestyle Group so special, our incredible community spirit. Whether it's through exciting entertainment, engaging club activities, or meaningful community initiatives, we are committed to making our venues welcoming and enjoyable for everyone.

We are particularly proud to honour and celebrate our senior members during Seniors Week, running from March 6th to 13th. This week is all about recognition, connection, and participation, and we've curated a fantastic lineup of free activities designed to keep you active and engaged, including Line Dancing, Police Safety Talks, and Tai Chi. We encourage all our senior members to join in, celebrate, and connect during this special week.

Our commitment to giving back remains at the heart of everything we do. This season, we've continued to support several important initiatives:

**2kg Challenge** – Helping locals reduce their risk of diabetes through small, sustainable health goals.

**Pink Up Blacktown** – Supporting the McGrath Foundation in raising funds for additional breast care nurses in our region.

**Better Foundation Partnership** – Continuing our support for Blacktown and Mount Druitt Hospitals by funding essential medical equipment.

**Carevan Blacktown** – Volunteering at the annual Christmas party, providing meals and care packages to over 350 community members in need.

We are incredibly proud of the impact these initiatives have on our local community, and we thank all our members for supporting these worthy causes.

Live entertainment continues to be a highlight at Workers Lifestyle Group, and this season brings an exciting lineup of shows and events. Plus, we continue to offer FREE live music across all three of our venues, ensuring that there's always something happening at Workers Blacktown, Workers Sports, and Workers Hubertus.

For families, our April School Holiday Program is packed with exciting activities, and we invite you to bring the whole family to enjoy the fun!

We're also excited to share that we've recently completed Stage One of our Gaming Floor Upgrade at Workers Blacktown, introducing:

- 76 brand-new gaming machines
- New carpet, lighting, and bases
- Reupholstered chairs for added comfort
- An eye-catching LED banner

And we're not stopping there! Stage Two kicks off in May, with further enhancements to the Lower JacMac area, including new carpet, machine

bases, and gaming machines. While there may be slight disruptions to live music in the JacMac we will continue to offer free entertainment in other club areas, along with our regular raffles and promotions.

At Workers, we are more than just a club, we are a vibrant community. Whether you're here to enjoy a live show, share a meal, engage in an activity, or simply spend time with friends, we are committed to ensuring your experience with us is nothing short of exceptional.

We are excited for the opportunities ahead, and as we celebrate 70 years of excellence, we look forward to yet another season of growth, success, and community connection.

Thank you for being a part of the Workers Lifestyle Group community.

Warm regards,

*Morgan Stewart*

Chief Executive Officer  
Workers Lifestyle Group

## A LOVE FOR HOSPITALITY

### Lisa & Argi's Journey to Marlo's

Fifteen years ago, Lisa and Argi's paths crossed while working at a bustling hospitality venue. Little did they know, this chance meeting would spark not only a lifelong romance but also a shared journey of building some of Sydney's most beloved dining spots. With over six successful venues to their name, Lisa and Argi have proven to be an unstoppable team both in life and in their passion for hospitality.

Their story is one of genuine love for food and a deep commitment to creating memorable experiences for their community. From their first venture to their latest, their mission has remained clear, to bring people together over delicious food and foster a sense of connection. It's this ethos that inspired them to open Marlo's in 2024.

Located at Workers Blacktown, Marlo's opened its doors in July 2024, quickly becoming a local favourite. The menu pays homage to Lisa and Argi's roots, featuring family-favourite dishes influenced by Italian and Greek cuisine.

For Lisa and Argi, Marlo's is more than just a restaurant; it's a testament to their shared vision of hospitality. Their love for food and people shines through every plate served and every interaction with their guests. Whether you're stopping by for a comforting classic or an adventurous new dish, Marlo's promises to deliver a dining experience that's as warm and welcoming as the couple behind it.

# MARLO'S

## ALL DAY

### AWARD WINNING CHEF

At the heart of Marlo's is a team as passionate as its founders.

Leading the kitchen is award-winning head chef Ravi, whose culinary talents have earned recognition from the Good Food Guide and numerous prestigious awards. Ravi's approach to food is simple yet impactful, create humble dishes that celebrate quality ingredients and resonate with the Western Sydney community. Under his guidance, the Marlo's kitchen hums with creativity and dedication.

Have a sweet craving?

Join us every day of the week from 9am till late for access to our self-serve dessert bar. Choose your soft serve flavour and top with your favourite sauces + toppings!

**NEW GAMING FLOOR AT WORKERS BLACKTOWN**

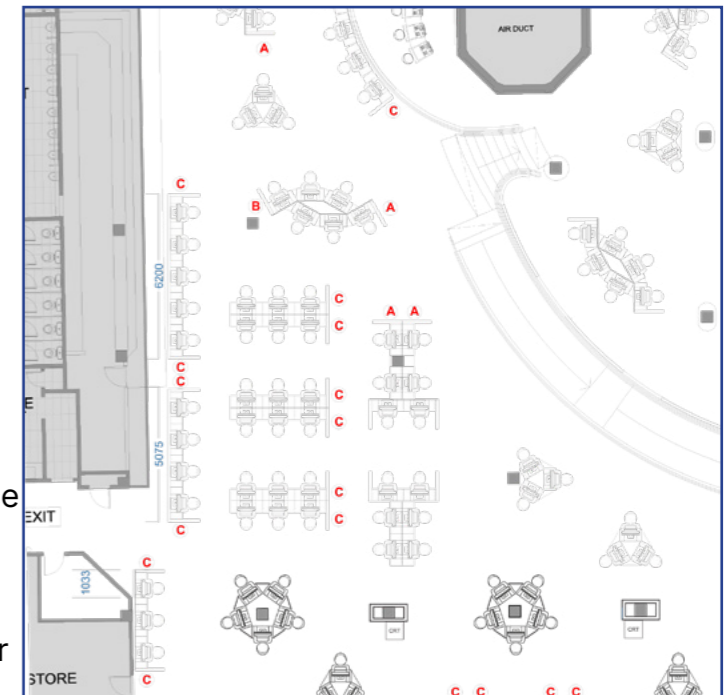

**Exciting Changes to the Gaming Floor at Workers Blacktown**

The first stage of our highly anticipated Gaming Floor Upgrade at Workers Blacktown is now complete, bringing a fresh new look and improved experience for our members! Commencing on December 2nd and completed by December 13th, this transformation has revitalised the space with modern features designed to enhance your comfort and enjoyment. The newly upgraded area now boasts 76 gaming machines, each set in a refreshed and stylish environment.

Some of the key improvements include:

- Brand-new carpet for a sleek and inviting atmosphere
- Upgraded power and communications for seamless game play.
- Enhanced lighting to create an immersive gaming experience
- New machine bases for stability and a polished look
- Reupholstered chairs for maximum comfort
- A striking LED banner to elevate the ambiance

**Stage Two – Coming Soon!**

The upgrades don't stop there! Stage Two of our gaming floor transformation will begin in May, focusing on the Lower JacMac area. During this time, the area will be temporarily closed as we continue laying new carpet and installing new machine bases and gaming machines over the following weeks.

We understand that these upgrades may cause slight disruptions to live music, but rest assured, we will continue to offer FREE live entertainment in alternate areas of the club. Plus, our regular raffles and promotions will still be running, so there's always something happening at Workers Blacktown!

We appreciate your patience as we work to bring you an even bigger and better gaming experience. Stay tuned for further updates, and we look forward to welcoming you to an upgraded space very soon!

## 2KG CHALLENGE

Workers Lifestyle Group support for reducing the incidence of diabetes in Blacktown through the 2kg Challenge has reached a new level during summer.

The basis behind the 2kg Challenge is driven by the fact that if someone is at risk of developing diabetes and loses just 2kg in weight, 30% of people will not go on to develop the condition. In addition, just a small and sustained weight loss reduces the risk of developing chronic diseases such as diabetes, heart disease and some cancers in addition to lowering blood pressure, cholesterol and blood sugar levels. WLG has collaborated with Western Sydney Diabetes, Novo Nordisk and WentWest to form a partnership aimed at education, detection and prevention of diabetes in our community.

After initially launching the online program in 2024 to our members and receiving your feedback, the Challenge, has been refined and added to, and is now being promoted to the wider community. It is a free 8 week program where the participant receives specific personalised information, material and support throughout their journey.

When you join the 2kg Challenge, you get:

- Free healthy recipes
- A healthy living coaching program
- Free and low-cost activities, both indoors and outdoors
- Tips and tricks to stay motivated

Access to a calendar which provides daily updates and access to healthy activities with dates/times and information on free or inexpensive local fitness classes, groups and resources.

## INTERNATIONAL DIABETES DAY

This day was recognised with Workers Lifestyle Group working with our partners in Western Sydney Changing Diabetes to conduct a screening day at Blacktown City Council. This corresponded with one of their staff meetings and enabled the team to screen over 25% of all the 200 attendees, starting with the Mayor, Brad Bunting.

Our collaboration between Novo Nordisk and Western Sydney Diabetes, Western Sydney Changing Diabetes, received Australia wide recognition by Novo Nordisk taking out the prestigious Prime award for the Best Public Health Initiative. The PRIME Awards recognise and celebrate excellence across 18 categories within healthcare communications and the Australian pharmaceutical and life sciences industry. The Best Public Health Initiative was hotly contested with several well known initiatives being fellow contenders, which made the win even more of an honour.

A large detection program has been conducted in Westpoint Blacktown using the staff and nurses from Western Sydney Diabetes. Situated near Woolworths, the group was able to test over 500 people during 4 days in January. Using a fingerprick test, the participant received their blood glucose results in 3 minutes. This test shows the glucose level for the last 3 months and is considered an effective way of detecting abnormal levels.

Each participant received an explanation of what their results meant and what action they should take, including seeing their GP if their results indicated them being at risk of, or having diabetes. In addition, each person received a range of information on local facilities and resources that would enable them to incorporate healthier habits into their everyday lives. This also included information on how to enroll in the 2kg Challenge. This method has been shown to be most effective in creating behaviour change. On follow up, over 65% of participants said that they had taken positive action as a result of having their blood test.

*Health checks conducted on International Diabetes Day*

*Janine Dawson and the team from Western Sydney Diabetes.*

## KEEPING THE KIDS SAFE

Young children are among the most vulnerable on our roads, and ensuring they have a properly fitted car seat is one of the best ways to protect them reducing the risk of injury by up to 70%. However, correctly installing a child car seat can be tricky.

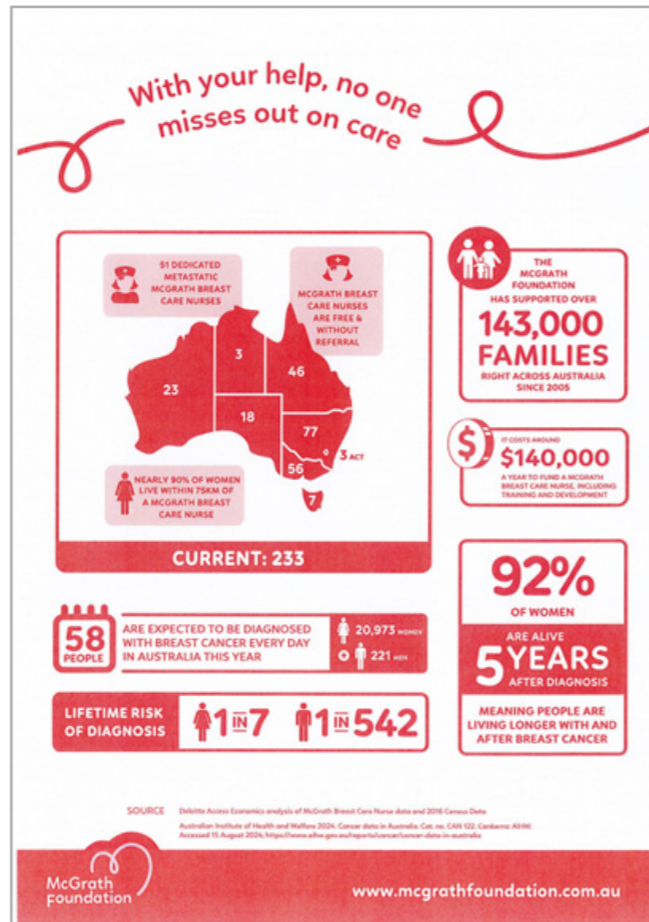

That's why Kidsafe, with the support of Transurban, provides an incredible community service by offering free car seat safety checks. Workers Lifestyle Group was proud to host this initiative in our multilevel car park, giving local families and staff peace of mind.

The Kidsafe team had a huge day, assisting the community and ensuring little passengers were safely secured. By the end of the day, they had checked and adjusted over 100 car seats, a fantastic effort towards making our roads safer.

A big thank you to Kidsafe and Transurban for their dedication to child safety.

The team from Kidsafe.

## PINK UP BLACKTOWN

Workers Lifestyle Group is delighted to be involved in supporting the McGrath Foundation through being one of the organisers of Pink Up Blacktown. This initiative is being led by Councillor Julie Griffiths AM who has garnered support from a number of community organisations and leaders to run this campaign for 6 months in Blacktown. The objective is to raise funds to enable additional breast care nurses to be employed in Blacktown. With our large and rapidly growing population, these nurses are under represented and at least another 2 are required to have parity with other LGA's.

The first event was a High Tea which was held at the Blacktown City Council premises and attended by over 100 supporters. As well as a lavish high tea full of goodies, the attendees were delighted to hear presentations from the current Blacktown Breast Care nurses and were fascinated to learn about what their invaluable work involves. We were also very fortunate to have a presentation from Gai Hawthorn OAM Forrester who has successfully run Pink Up Penrith and had inspiring stories and advice to share with the audience.

This is a very exciting project and Workers Lifestyle Group is looking forward to continuing our support for this worthwhile cause.

## CAREVAN

Carevan Blacktown, was founded in 2011 to assist and serve the community's most vulnerable members, extending a helping hand to people experiencing social and financial disadvantage and hardship of all kind.

Comprised of a group of dedicated volunteers, Carevan Blacktown provides a weekly communal meal service in Lalor Park, engaging the care and generosity of the community, and passing this on to those most in need. Patrons are welcomed without question, cost or criteria. Other support is available including food delivery, clothing and medical services.

Carevan Blacktown enables connection to others in their community, those who share the same difficulties, helping to provide support through the common experience. Breaking down loneliness and isolation, principal factors in disadvantage of all types, is an important focus of the work of Carevan Blacktown.

Workers Lifestyle Group is a strong supporter of Carevan. Most recently we worked as volunteers at the Carevan Christmas Party. This party is attended by over 350 local individuals, families and supporters. Attendees were treated to a delicious hot traditional Christmas dinner, followed by take home hampers and a visit from Santa with gifts for the children. Carevan reported that for many of the attendees, this would be their only Christmas celebration, so the emphasis was on fun and joy.

WLG was pleased to be able to provide additional support to the Christmas party by supplying soft drinks for the attendees. Staff from WLG were happy to be responsible for packing, delivering and unloading the soft drinks which were gratefully received by the Carevan volunteers and guests.

## 16 Days of Activism against Violence towards Women

Workers Lifestyle Group has been involved in several local events related to this program which commenced on 25th November. The first event, Knit Bomb, was arranged by Blacktown City Council to bring the community together to acknowledge the prevalence and impact of DV on our community and work together to eliminate this societal problem.

Key community leaders from the Government, community, corrective services, police and relevant grass roots organisations listened to speeches and were involved in a ribbon tying event. Knitting and crocheted pieces produced by a community group were used to decorate trees and other structures around the Village Green. Sculptures produced by the inmates of Parklea prison were decorated in colourful knitted items and will be left in the area over the 16 days.

## FOODBANK

Workers Lifestyle Group continues to provide support for the fantastic work conducted by Foodbank. During Summer, we were delighted to be invited to their Hunger Report Breakfast to learn about their recent research into the state of hunger in Australia. Results showed that hunger is particularly prevalent in certain areas, including Blacktown and amongst particular households and demographics, all of which are highly represented in our local area.

This, combined with a recent visit to their warehouse where a huge amount of food is stored and continuously shipped out, made it an easy decision to increase our support for their work. To this end, Workers Lifestyle Group has decided to provide additional funding to enable a weekend breakfast program to be set up for children at local schools. This will allow children to take home a food pack for Saturdays and Sundays.

We have also committed to providing volunteer support for Foodbank with our staff being encouraged to work in the warehouse at least one day per quarter during 2025.

## THE BETTER FOUNDATION

The Better Foundation was created in 2016 to support Blacktown and Mount Druitt Hospitals. Their mission is to raise vital funds for state-of-the-art equipment, world's best practice research and advanced education for doctors, nurses and clinical staff. Blacktown and Mount Druitt Hospitals (BMDH) are administered as a single hospital on two sites. It is one of the largest hospitals in Australia. Every day brings new challenges at BMDH. Every day, hundreds of residents from the Blacktown and Mount Druitt local community attend the hospital for life-saving treatment. For this reason, WLG is proud to be a supporter of the Better Foundation. Through this ongoing support, several pieces of vital equipment have been purchased for the hospital.

The CEO of the Better Foundation, Kerry Powers, arranged for our CEO and Board to visit the hospital and meet with the General Manager, Brad Ceely along with specialists in the diabetes, cardiology and pediatric departments to view the equipment that Workers Lifestyle Group had helped to fund. On learning of the value that our previous contribution to the pediatric department has made, it has been decided that WLG will fund more milk warming equipment to help the staff, mothers and babies.

The team were fascinated to learn more about the specialties and workings of the hospital from the front-line staff. We all came away with a sense of gratitude for the enormous skill and dedication of the hospital staff available to our local community.

# Welfare Report

Hello everyone,

As we welcome the cooler days of Autumn, I wanted to take a moment to share a few words with you all. The months ahead bring a wonderful mix of events and activities at the Workers Club, and I encourage everyone to get involved and stay connected.

One of the highlights of the season is Seniors Week, running from March 3rd to 16th. This is a fantastic opportunity for our senior members to come together, enjoy special events, and celebrate with our local community. The club has plenty of activities planned, so be sure to check what's on and join in the fun!

Autumn is also a time to reflect and support one another. While many of us enjoy the change of season, I know that for some, it can bring moments of loneliness or reflection. If you ever need a friendly chat, a little support, or just someone to listen, please don't hesitate to reach out. I'm always here for you, and you can contact me anytime at 0410 602 418.

As we move through the season, let's all keep an eye out for each other—especially our senior members and those who might need a bit of extra support. Our club is built on community, kindness, and connection, and together, we can ensure that everyone feels valued and included.

I look forward to seeing you at the club!

With all my best,

*Harold Becker*

Welfare Officer

## TREASURER'S REPORT

Hello members,

Year to date (Jan to Dec 2024), I am pleased to advise that we have already contributed more than \$1,217,472 to local community groups and people in need.

Our Group profit / (loss) before tax as of 30 December 2024 is \$1,173,389 which is less than budgeted expectations and lower than the same financial period last year (2023).

*Gary Callaghan*

Club Treasurer
